

Dear Lucretia -

I think this Burns Night was the best one yet! I have sent photos + commentary to many friends + family. It was so enjoyable: - decorating was excellent (having been a teacher I know the time, effort + skill it took to do such a beautiful job.) - so many songs we could sing along with, super themes of Burns's writing + songs + The Steaving-ladies

dance was fantastic, - great Highland Fling by the Cads too. And the RCMP Pipe Band would have been declared "First Class" by my Highland Grandma. Sure hope they will play again next year. The Night was well-organized, so entertaining + very memorable. Great dinner, except for the haggis which I gang aft a-gley. Thank-you to all the Jam O' Shanters - the 8 of us are still singing + dancing to the tunes! Marilyn + David
