Cheryl Jorgensen,

On behalf of the Hyack Festival Association, I would like to thank you for helping us celebrate the City of New Westminster's 150 Anniversary by taking part in our annual Hyack International Parade.

We were pleased to see the number of community groups all over the Lower Mainland participate in the parade. As the title, Hyack International Parade, indicates, we look forward to having cultural groups such as yours help us celebrate our multi – cultural identity.

Plans are already underway for our 2010 Hyack International Parade and we hope that you will join us again. We look forward to your continued support.

Sincerely,

Michele McClure
